GPA 3.708
Master of Arts in Liberal Arts.

Annapolis, MD
August, 2017

Harvard College
GPA 3.584
A.B. cum laude in Government, with a secondary field in Archaeology and a language citation in French.

Cambridge, MA
May, 2015

EMPLOYMENT

Austin Community College, Adjunct Professor of Humanities
Currently teaching *Humanities 1302: Renaissance to Present*.
As an adjunct professor I am solely responsible for teaching this class.

Austin, TX
Present

The University of Texas at Austin, Teaching Assistant
Worked as a Teaching Assistant at UT, before exiting PhD program.
Assisted *Women in the History of Political Thought* and *Engineering Communication* (selected for the latter for my writing ability).
Received high marks both semesters; both professors I assisted are available as references upon request.

Austin, TX
School year, 2017-2018

PROGRAMMING EXPERIENCE

Inventive Academy, Student
Currently enrolled in a 26-week onsite coding boot camp.
Will learn HTML, CSS, JavaScript and others.

Austin, TX
Present

Introduction to Computation and Programming Using Python
This is the textbook for MIT's introductory computer science course.
I have completed about ¼ of it so far, using both the book itself as well as MIT's online edX and OCW resources.

LANGUAGES

English: Native.
French: I hold a Language Citation in French from Harvard's Department of Romance Languages & Literatures.
Ancient Greek: Reading knowledge.

OTHER EDUCATION AND ACTIVITIES

The University of Texas at Austin
Spent one year as a PhD candidate in Government; left to pursue a different career.
GRE: V170 M157 W5.0

Austin, TX
School year, 2017-2018

University of Maryland, College Park
GPA 3.892
Attended the Honors College for one year before transferring to Harvard College in 2011.

College Park, MD
School year, 2010-2011

Political Jobs/Internships
As a Government major, I held several different summer and term-time politics-related jobs and internships during and immediately after college.

95.3 FM WHRB Cambridge
Hosted my own radio show on Harvard's radio station throughout most of college.
